

COULSDON WEST RA UNDER THREAT

COULSDON WEST members are urged to take any and every opportunity to ensure these disreputable people do not gain control of CWRA

- 1 - LYNNE ROTHBERG
- 2 - DAVID ROTHBERG
- 3 - YASMIN DUBASH
- 4 - RICHARD WALKER
- 5 - KEITH WATKINS

We regret having to write as below, but we feel it is only right that you are made aware of what the above people have done and are trying to do.

Detail of misdeeds of the above are on the attached sheet.

They are a small group of small-minded people based near Rickman Hill - with their own agenda.

**The eight people elected at the CWRA 2019 AGM were the following
Nearly all now refuse to serve on a committee with any of the above 5**

Rita Barfoot – R.I.P. Nov 2019 – was Secretary and de facto Chairman

Regan Barfoot – Refused to continue on Committee with Lynne Rothberg in charge

Geof Hunt – de facto vice-chairman and on CWRA Committee for 20 years – forced to resign by Lynne Rothberg – Feb 2020

Lynne Rothberg – on CWRA Committee for many years - never had any position of responsibility
Improperly seized control of CWRA - Dec 2019

Michael Southwell – Diligent Treasurer of CWRA Committee for 20 years – forced to give up Feb 2021 – tried very hard to make CWRA Committee work, but could not sustain virulent campaign of sustained abuse and harassment from Lynne Rothberg + her placemen.

Lucy Acres – Hard-working member of CWRA Committee for 20 years – forced to give up Feb 2021 – tried to make CWRA Committee work, but could not abide abusive behaviour of Lynne Rothberg + her placemen

Jean Biggs – Dedicated member of CWRA Committee for 4 years – worked for CWRA Committee, but unwilling to continue after nasty campaign of harassment from Lynne Rothberg + her placemen

Peter Appleford – Member of CWRA Committee for many years, but only seen twice in 4 years – once fell asleep, other time said nothing – happy to back Lynne Rothberg when asked

The CWRA Committee worked fairly well for a few months

Then Lynne Rothberg became dictatorial, adding people to the committee without agreement.

Then in July, Lynne Rothberg said she would ban Peter Morgan from the Committee, told Jean Biggs she should resign, and just announced Yasmin Dubash would be on the Committee.

Michael, Jean and Lucy asked Lynne Rothberg to meet and discuss her behaviour, but she was defiant. In Aug 2020, LR was removed as Acting Chairman, but invited to stay on the committee.

Lynne Rothberg then set out with Richard Walker and Yasmin Dubash on a campaign of sustained harassment and abuse designed to force Michael, Jean, Lucy and others to drop out
